

What will you do with your summer?

Spend your Summer furthuring your understanding and experience of STEM degrees and careers. Free events and projects for UNM students!

Sign up at stem.unm.edu/stemsummer

Caving & Bioinformatics

Wednesday, May 27: 9AM - 12PM
Thursday, June 4: 8AM - 5:30PM
5 Lab Days in June & July

Searching for Intraterrestrials

Wednesday, May 27: 9AM - 12PM
Thursday, June 4: 8AM - 5:30PM
5 Lab Days in June & July

Parasite Field Days & Laboratory Research

Friday, June 5: 8AM - 4PM
Friday, June 17: 8AM - 4PM
2 Lab Days in June & July

Dramatic Diversity: Ecology Research at the Valles Caldera

Friday, June 5
8:00AM - 5:00PM

Ancient History: Archaeology Research at the Valles Caldera

Friday, June 5
8:00AM - 5:00PM

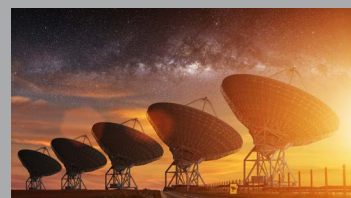

Exploring a Supervolcano: Geology & Hydrology Research at the Valles Caldera

Friday, June 5
8:00AM - 5:00PM

Wastewater Reclamation Plant Tour

Wednesday, June 10
8:00AM - 12:00PM

Behind the Scenes at the Very Large Array

Friday, June 12
8:00AM - 5:00PM

ABQ Start Up Tour

Friday, June 19
11:00AM - 2:00PM

Forest Restoration 101: Data Collection & Field Day at the Valles Caldera

Tuesday, July 7
8:00AM - 5:00PM

Sandia Day at the Advanced Materials Lab

Wednesday, July 8
12:30PM - 4:30PM

Observing Life Zone Changes at the Sandia Mountains

Tuesday, July 14
8:00AM - 2:00PM

Investigating Invasive Species: Ecology of the Rio Grande

Tuesday, July 21
8:00AM - 2:00PM

Exploring the Geologic Time Record in NM's Rocks

Saturday/Sunday, July 25/26
8:00AM - 5:00PM

Conducting Field Transects and Bird Surveys at Bosque del Apache

Friday, July 10: 8AM - 5PM

Air Force Research Laboratories Tour

Wednesday, July 29
8:00AM - 5:00PM
