## **Intro to Computer Programming Class Open to All UNM Students**

UNM's Computer Science Department is offering a new core course, CS108L, beginning this fall, open to undergraduates of all levels. CS108L counts as an Area 3 Science course, so now, in addition to Biology, Chemistry, Physics, etc., students can take a class that teaches them computer programming and computational

## **Undergraduate STEM Meetings, Scholarships, Grants, and Opportunities**

- UNM Psych Majors! The Psych department now has a bulletin board dedicated to job postings. The board is located by the advisement kiosk in Logan Hall.
