Undergrads - Want to Get Involved? Check Out These Upcoming Student Meetings

Advising for any and all interested Pre-Med Students:

Wednesday, Sept 7 from 2-3pm in the new University College Conference Room, which is in the University Advisement and Enrichment Center, room 265-266. To reserve a spot for the workshop, go to <http://som.unm.edu/education/md/admissions/advisement.html>. Contact Jim McKinnell at the Office of Pre-Health Professions Student Development at 277-2027.

American Medical Student Association:

Monday, September 12 from 6:00 PM – 7:00 PM in the SUB Luminaria Room. No RSVP needed. Contact UNM AMSA at amsapm@unm.edu for more info.

Engineers Without Borders:

Friday September 2nd at 3:00 pm in the STAMM Commons room. No RSVP needed. *You don't need to be an engineer!* Contact UNM EWB at ewb@unm.edu for more info.

Pre-Pharmacy Society:

Tuesday, September 6th, 2016 at 6:30pm at the College of Pharmacy (COP) room 135. No RSVP needed. Contact Branda, PPS President, at bchaleunphonh@unm.edu for more info.

UNM Wilderness Alliance:

is looking for new members! Check out their Facebook page for events and more here: <https://www.facebook.com/groups/273201647115/?fref=nf>

NM AMP Undergrad Research Assistantship Accepting Apps!

The [New Mexico AMP Undergraduate Research Scholarship \(URS\)](#) was developed in recognition of the value of undergraduate research as a part of pursuing a degree in Science, Technology, Engineering, and Mathematics (STEM). The scholarship provides undergraduate STEM majors with financial support (stipends and research support) during their research experience at the university.

URS's provide up to \$2,000 during each semester of research involvement. Summer awards are generally in the range of \$2,000.

Learn more about this opportunity [here](#). Apply using [this form](#).

UNM Career Services Now Offering Online Advising

Looking for help with a resume, choosing a major, or other career concern?

UNM's Career Advising Services are offering career advising virtually on Thursday evenings from 5pm-8pm during the fall semester.

Get started by emailing unmcareeronline@gmail.com.

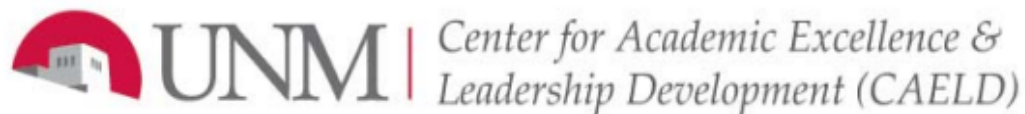

Need Childcare While You Study? Let UNM Children's Campus Help!

The Children's Campus will provide a comfortable study space, snacks for parents, and free dinner/childcare for your children.

WHEN: September 7th & September 19th

WHERE: UNM Children's Campus (1210 University Blvd NE)

Pre-registration for your child is required. Contact UNMCC at loboparents@unm.edu

Attend Free Info Sessions for the Truman Scholarship Opportunity

Approximately 60 Truman scholarships are awarded annually to students who wish to attain graduate programs that pertain to government, public health, public service, environmental protection, or economics. The scholarship is open only to students in their junior year of undergraduate study and provides up to \$30,000 for graduate study.

September 6 (Tuesday), 5:00 - 6:00 pm @ Honors College Forum

September 8 (Thursday), 5:00 - 6:00 pm @ Honors College Forum

Honors College Forum is located in the lower level of the Student Health & Counseling Building.

Please RSVP at NISF@unm.edu.

Undergraduate STEM Meetings, Scholarships, Grants, and Opportunities

- UNM's Anthropology Department is looking for Faculty Assistants to support the Environmental Archaeology Laboratory. They seek students with an interest in environmental histories, geochemistry, archaeometry and the interactions of culture and ecology. Duties will include assisting in preparing archaeological samples for stable isotope, radiocarbon, and related analyses; recording metric and other data from archaeological materials; data entry, and some clerical work. Interested students can apply here: unmjobs.unm.edu/applicants/Central?quickFind=88792
- UNM's Museum of SW Biology is looking for a motivated student who will assist with manipulation of data, preparation and curation of specimens, as well as general lab maintenance at the herpetology section of the Museum of Southwestern Biology. Apply at <http://unmjobs.unm.edu/applicants/Central?quickFind=88189>
- Opportunity to work in Trauma Research lab (Psych 499) for Fall 2016: Dr. Elizabeth Yeater is accepting female students to work in the Trauma Research Lab. If you think you may be interested and want to find out more about this unique opportunity, the next informational meeting is Tuesday, September 6th at 1:00 pm (Logan Hall, room 125). Please bring a typed paragraph detailing your research interests, background, and why you would like to participate in the Trauma lab. If you absolutely cannot attend these meetings but are interested and still want to learn more about the lab please email Trauma Research Lab at tr12@unm.edu.
- Are you a medical or dental student in your final year of school? The National Health Service Corps (NHSC) Students to Service Loan Repayment Program (S2S LRP) provides up to \$120,000 to medical (MD and DO) or dental (DDS or DMD) students in their final year of school in return for a commitment to provide primary health care full time for at least 3 years at an approved NHSC site in a Health Professional Shortage Area of greatest need. Learn more here: <http://www.nhsc.hrsa.gov/loanrepayment/studentstoserviceprogram/index.html>
