- CNM's "Water in the Desert" Series Continues
- Undergraduate STEM Meetings, Scholarships, Grants, and Job Opportunities

Examining the Ethics of Human Research with the Stanford Prison Experiment Film

Are you interested in conducting research with people? Are you curious about careers in psychology, sociology, anthropology, health science, education, or political science research?

Chances are you are going to hear about the Stanford Prison Experiment at some point along your journey to become a researcher that studies people. This study's shocking results dramatically shaped the rules and regulations that currently guide social science research.

Come learn about the study as well as the ethical implications resulting from this experiment by screening the film The Stanford Prison Experiment. The screening will be accompanied by an introduction from an expert in human subjects' research as well as a Q & A. Check out the film's trailer here.

Wed, Nov 2 from 6-7pm (UNM Student Union Building, Ballroom A)

No RSVP needed.

Learn more and RSVP here: <http://som.unm.edu/education/md/admissions/advisement.html>

THINKING ABOUT APPLYING TO
PSYCHOLOGY
GRADUATE PROGRAMS?

Thinking of Grad School in Psychology? Come to a Free Info Session!

UNM's Psychology Diversity Org will be hosting their annual "411" workshop on "How to Get into Grad School" for Psychology undergraduates.

When: Friday, October 21st from 2:00 -3:30 pm

Where: Science and Math Learning Center, RM 102

Any questions? Please feel free to contact Isabel Solis (isolis@unm.edu) or Violette Cloud (vcloud@unm.edu).

CNM's "Water in the Desert" Series Continues

Central New Mexico Community College Presents "Water in the Desert:" a lecture and event series completely free and open to the public!

Water in the Desert (#CNMWitD) is a 4-week, campus-wide, hands-on learning project centered on water resources management. It consists of weekly educational events and service learning opportunities. All are welcome!

A full schedule of events can be found here: <https://www.cnm.edu/about/sustainability/water-in-the-desert-project>

Undergraduate STEM Meetings, Scholarships, Grants, and Opportunities

- Encuentro's Apoyando Empresarios Inmigrantes Fellowship Program 2016-2017: Encuentro is seeking four highly talented and driven immigrant college students or graduates (regardless of immigration status) with a passion for immigrant entrepreneurship to be part of Encuentro's Apoyando Empresarios Inmigrantes Fellowship program. Interested students can review the opportunity [here](#).

- Support UNM's School of Architecture and Planning Students: Friday, Oct 22nd at 6pm at 207 Girard SE. Buy an APA mug for \$10 (sliding scale for students) and enjoy unlimited local brews (21+, checking IDs at door). Proceeds will support CRP students at the American Planning Association National Conference in NYC this May.

- The gentlemen of UNM's Rho Iota Chapter of Kappa Alpha Psi fraternity will be offering study hours and free tutoring, Wed Oct 20th starting at 6pm in the SUB 3rd Floor Alumni Room.

- Applications for the UNM Green Fund due by Nov. 3rd Interested individuals can review the opportunity here: <http://sustainability.unm.edu/greenfund.html>

To be added to this listserve and stay up-to-date with upcoming events, please email a request to "stem@unm.edu."

You may leave this list at any time by sending an email to LISTSERV@unm.edu with "UNSUBSCRIBE UNM_STEM-L" in the message (not the subject line).
