For more information, please contact the College Enrichment Program at 505-277-5321 or visit us at cep.unm.edu

This event is brought to you by:

One of the best ways to get better at anything is to practice. Worried about your upcoming finals? Why not take a practice exam? Mock Finals is a great opportunity to take a mock exam, get an answer key, and study smarter for the actual final. Courses include lower-division Math, Chemistry, Physics, and more! See the attached flier "Mock Finals" for more information.

Save your spot! Pre-registration is **STRONGLY** encouraged by clicking here: <http://goo.gl/forms/eFNAHHVtpN>

Operation: Registration is coming, November 30th and December 1st!

Check out this week’s STEM Gateway blog on Faculty Learning Strategies with Dr. Guo!

STEM GATEWAY Blog

Dr. Hua Guo, in the Department of Chemistry and Chemical Biology, has been promoted to Distinguished Professor, the highest faculty title at UNM. What can students do to succeed in Chemistry courses? Dr. Guo shares his thoughts! Read now at: <http://stemgateway.unm.edu/blog/2015/11/faculty-learning-strategies-chemistry-chemical-biology.html>

Study assistance and more available at Casas Del Rio, thanks to your Student Success Center

Did you know that you can get tutoring, printing, and even walk-in success coaching from the Student Success Center at Casas Del Rio? CAPS has Math Tutoring Wed from 7-9pm, STEM Project Tutoring is Mon/Tues/Thurs from 6:30-8pm, and Walk-In Success Coaching for any student at any time! Printing, fax, and copying are available, as well a computer lab and study space!

See attached flier "SSC Poster" for more info, or contact the Office of Student Academic Success to learn more (students.unm.edu). Howl, yes, you can!!

STEM Meetings, Scholarships, Grants, and Job Opportunities

- UNM's School of Architecture will hold an information session for the Master of Landscape Architecture program, Monday November 23rd at 12pm in George Pearl Hall, Room P130 (lower level)

- The Stanford Summer Research Program is now accepting applications. Click here to learn more: <http://biosciences.stanford.edu/prospective/diversity/ssrp/application.html>
- The Doris Duke Conservation Scholars Program at University of Washington (DDCSP@UW) is getting ready to recruit students for next summer. See the attached flier “2016 DDCSP” for more information, or click here: www.uwconservationscholars.org
- The Charles B. Rangel International Affairs Program, which prepares students for careers in international affairs, is now accepting applications for the 2016 Rangel International Affairs Summer Enrichment Program. Learn more at www.rangelprogram.org

Have a great week, everyone!

If your department or student organization has a program, event or opportunity you would like us to include in an upcoming bulletin, please email a description to timschroeder@unm.edu.
