Enjoy Your Break, Lobos! UNM is Closed Nov 24-25th for Thanksgiving!

Finals Got You Nervous? Donut Worry! Donut Days are Right Around the Corner!

Celebrate all of your hard work this semester with the STEM Collaborative! Join us for a mixer for all UNM students, staff, faculty and various members of our local Albuquerque science and engineering community. Various scientists and engineers from Albuquerque's own Air Force Research Laboratory will attend. Light refreshments, including donuts and coffee will be served. Mark your calendar and invite a friend!

Thursday, December 1, 2016, Drop by anytime between 3-6 PM!

Registration for this event is appreciated, but not required. You can attend regardless of whether you register in advance.

Save your spot here: <http://stemuniversity.unm.edu/courselist/register/86>

MOCK FINALS FALL 2016

Let us help you PREPARE for your finals!

UNM's CEP and CAPS offer Mock Finals in Lower-Level Classes!

Practice makes perfect!! Take a MOCK FINAL on Saturday, December 3rd in these courses:

- Biology 201 & 202

To be added to this listserve and stay up-to-date with upcoming events, please email a request to "stem@unm.edu."

You may leave this list at any time by sending an email to LISTSERV@unm.edu with "UNSUBSCRIBE UNM_STEM-L" in the message (not the subject line).

- Looking for a Summer Internship? Join Dr. Marissa Floyd in Costa Rica this coming summer (June or July 2017) to gain internship credit while serving local communities and organizations! Email mmfloyd267@unm.edu with questions!

- The National Ecological Observatory Network (<http://www.neonscience.org/>) is searching for 2017 interns, specifically students who have majors in biology, ecology, environmental science, physics, geography, computer science, and more. Interested students can learn more here: <http://afrlscholars.usra.edu>
