Mentee Questionnaire

1) What subjects or technical areas are you interested in?

2) What are your career goals or goals for after undergrad?

3) What classes are you taking this semester? How many credit hours are you taking?

4) How do you feel about your experiences in your STEM classes/education so far?

5) What are possible roadblocks for your academic success?

6) What extracurricular activities do you participate in?

7) What are your hobbies?

8) Have you ever received or applied for any awards, scholarships, or internships?
9) What do you hope to get out of this mentoring program this semester?

10) What are your expectations for your mentor(s)?

11) Fill out a typical weekly schedule that includes class time, office hours, work, eating, sleep, family time, exercise, hobbies, friend time, studying, etc. What time(s) work best for you to meet with your mentor(s)?
